Dear Mr. Park:

Re: Notice of Intention to Commence Small Mining Activities, MM 35K Claim, S/041/013, Sevier County, Utah

On April 17, 1992, this Division received a copy of your Notice of Intention to commence small mining operations for your proposed MM 35K Claim operation from the BLM. The operation is located in the SW1/4 of Section 30, T25S, R4W, SLBM, Sevier County, Utah. The letter does not satisfy the notice requirements of Rule R647-3 of the Utah Mined Land Reclamation Act of 1975, Title 40-8, Utah Code Annotated.

The following information is still required:

R647-3-105. Project Location and Map

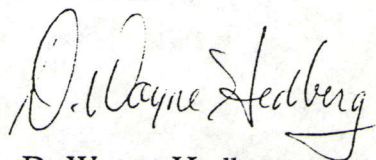

Please provide a topographic base map showing the location of the proposed disturbance in relation to the other existing disturbances associated with previous development of the MM 0-32 and MM 33K-38K claims. We are uncertain if this should be considered a new and separate mining notice or an amendment to your current small mining notice under file #S/041/013.

For your future reference, enclosed is a set of our minerals rules and a Form MR-SMO. Do not hesitate to call me if you have any questions.
